OUR NEIGHBORS.

Democrats, nominate a ticket that is worthy and one that you can place before the people without apologies of any kind.

One of the candidates for County Judge in Pike county is named Otto Stump. He should change his name to Otto Stump, at least during the campaign.

The Goebel Monument Commission approved the selection of C. H. Niehaus, a sculptor of New York, to execute the bronze figure of the late Governor which is to form part of the monument. It is thought that the monument will be unveiled not later than September or October next. The commission has on hand the sum of \$15,151.

The farmers of Lawrence county should increase the production and quality of their poultry. There is an unlimited market here for poultry and eggs at profitable prices. It will pay to give a great deal of attention to this industry. An important thing, however, is to get improved stock of a large and thrifty kind. The Plymouth Rock breed of chickens is one of the best for all purposes. Scrub stock of any kind is so much less profitable than good stock that it is surprising that people will plod along with it. Poultry sells by the pound. Experiment has proved that the same amount of food and care will produce 50 percent more weight in certain pure and thrifty breeds of chickens than in the average scrub. Therefore, those who produce the scrubs are losing just that amount of clear profit. The size of the eggs is also the controlling factor in the price. It may not be known to all of our people, but it is a fact that before reaching the final market the eggs bought are assorted according to sizes, the prices paid by consumers being proportionate. Also, the eggs with dirty shells are separated from the clean ones and bring a less price. All these points are worth heeding. There is no branch of the farming business that offers better opportunity for the Big Sandy farmers than the poultry business properly conducted.

TORCHLIGHT.
The sick in our town are improving. Quite a large crowd attended church at this place Sunday eve. Mr. McClure passed through here a few days previous. H. W. Lambert visited homefolks at Donihau Sunday.

The mines at this place were closed Friday last week. Mrs. Jennie Stafford, who has been sick for some time is slowly improving.

Mrs. Lena Ervin, of Olive Hill, is here on a visit to her mother, Mrs. Harvey Harden, who is sick. Miss Leva Pigg is the guest of Miss Daisy McClure.

Mrs. Sarah McClure and son, Edgar, are visiting her son, J. J. McClure, at London, Ohio.

W. A. Wilbur has moved from here to Peach Orchard. Miss Nora McKinzie was visiting in Louisa Saturday.

MEN PAST SIXTY IN DANGER.
More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." Sold by Louisa Drug Co.

The Norfolk and Western management is preparing to issue \$2,000,000 in equipment trust bonds, authorized by the board of directors at a recent meeting. The sale of bonds will probably be made before the next meeting. The proceeds of the sale will be used in paying for a recent large order of cars and motive power. The bonds will bear four per cent. interest and will run for ten years, \$200,000 equipment ordered consisted of 2,000 coal and freight cars and 30 locomotives. The increased business obtained by the company in southern West Virginia has compelled the purchase of the additional cars and locomotive power.

Wallace, secretary, and Miss Mildred Callahan, assistant secretary. The following were appointed to act on the Executive Committee: Rev. J. P. Richardson, Pastor of the M. E. Church South; Geo. W. Carmichael, Pastor of the Presbyterian Church; Isaac Richmond; Mr. Felix, Methodist; A. J. Davidson and W. B. Harkins.

While the wife of Green Cawood, at Everts, went to milk, leaving her baby in the cradle alone, the house burned and the baby was cremated.

Otto Holliday, son of John Holliday, of Catlettsburg, committed suicide in Huntington Sunday morning by drinking two ounces of carbolic acid. A wife and four children are left.

S. V. Bryant, a well known man of Deorning, Mingo county, W. Va., was struck by a train at Thacker, and killed. He was 35 years of age. He leaves a wife, a mother and brothers and sisters to mourn his loss. He had been a citizen of Mingo county for fifteen years.

The local camp of the Grand Army of the Republic is arranging for a celebration Decoration Day, May 30th. Maj. D. J. Burchett, of Mt. Sterling, United States Marshal under President Harrison, will be the speaker of the occasion. Extensive preparations are being made to make the day an important one.—Lexington Leader.

In the case at Catlettsburg of the Richardson heirs against the C. & O. Ry., for alleged damages to property, the jury rendered a verdict of \$1,200 in favor of the plaintiffs. This case has been in litigation for some years and has attracted considerable attention. Attorneys for the plaintiffs, P. K. Mallin and Tom Brown, attorneys for the defendants, W. H. Wadsworth and F. T. D. Wallace.

Wayne county W. Va., is coming to the front in the ranks of the criminal counties. There are now fifty-nine felony cases on the docket for the May term of the Circuit Court, and there will be another grand jury before the trial of these cases is commenced, which will likely add largely to the present list. Judge Wilkerson, it would appear, will be a very busy man at this term of the Court. Four of the fifty-nine felonies are for murder.—Ex.

Huntington, W. Va., April 22.—Bound hand and foot and tied to a tree, the body of a well-dressed man was found near Big Ugly with a knife blade through his heart. His throat had been cut from ear to ear, and it is believed by the authorities that he was murdered before he was tied to the tree. Pinned to the coat of the man was a piece of paper bearing inscription: "You will bother us no more."

The identity of the body and of the murderers is a profound mystery.—Courier Journal.

On White's Creek two empty farm houses belonging to Alvin Wooten caught fire and burned to the ground Wednesday of last week. Mr. Wooten had just bought the farm and the former owners having moved out of it a short time before, he was making preparations to move in at once, when the fire occurred. It is thought the deed that of an incendiary, and the outcome of an old grudge. The farm contains 100 acres and had two dwellings on it. Kind neighbors worked all Thursday night trying to save the barn and corn crib.

For Thin, Poor Blood

You can trust a medicine tested 60 years! Sixty years of experience, think of that! Experience with Ayer's Sarsaparilla; the original Sarsaparilla; the strongest Sarsaparilla; the Sarsaparilla the doctors endorse for thin blood, weak nerves, general debility.

Not even this grand old medicine cannot do its best work if the liver is inactive and the bowels constipated. For the best possible results, you should take Ayer's Sarsaparilla while taking the Sarsaparilla. The liver will be kept active, and so will the bowels.

A HAPPY HOME

Is one where health abounds. With impure blood there cannot be good health. With a disordered LIVER there cannot be good blood.

One hundred and five emigrants boarded the train in Welch Saturday for points in Colorado, their tickets calling for Boulder, that state. There were represented in the crowd different classes of the citizens of Wyoming and McDowell counties. A special car had been provided for their use, and it was overflowing. The ages of the emigrants ranged from two months to old age, and many of them had never before been aboard a train. The fare collected here amounted to over \$1,500 there being thirty-four whole tickets sold. From these figures it will be seen that more than half of the party was under the age which made it necessary for them to pay fare.—Williamson West Virginia.
